Branch of the Arab Higher Committee in Jerusalem.

On 17 May DAUD AKRAMAWI, a follower of Haj AMIN HUSSAYNI<sup>HUSSAYNI</sup> (head of the Arab Higher Committee for Palestine), told an Arab friend in Amman that a branch of the Arab Higher Committee was being established in Jerusalem in order to counter the activities of AHMAD SHUQAIRI and the Palestine Liberation Organisation. He said that the Arab Higher Committee was supported by King FAISAL of Saudi Arabia and that the Jordanian security authorities had agreed to turn a blind eye to Arab Higher Committee activities on the West Bank. He himself would take a leading part in the branch in Jerusalem; he had also agreed to keep the Director of Public Security informed.

Arab Higher Committee

2. Members of the Arab Higher Committee have recently been permitted to circulate freely in Jordan and the press have been told that communiques from the Committee may be published (previously they were forbidden).
